

Terrilynn Phillips

“THE BUSINESS STRATEGIST”
Virtual Assistant * Bookkeeper * Business Consultant

TAKE BACK CONTROL!

During this engaging presentation, Terrilynn shares 3 principles from her latest book, “Success Strategies.” These principles will show you how to take back your control to get the success you want, need, and deserve!

Terrilynn will be covering how to:

- **Eliminate Overwhelm** – through acquiring solutions that create organization . - Carlton Brown, Owner, Occasional Occasions Catering, went from \$60,000 to grossing over \$140,000 in less than five years while working with me.
- **Eliminate Entrepreneurial Chase** - by systematizing tasks that will eliminate too much to handle. – Lois Bollin, Owner, Plant Services, went from a dream to serving 65 clients a month within two years, doing what she loves to do.
- **Eliminate Lack of Growth** - Save time and increase revenue with follow-up systems that work! Lorna Rasmussen, best selling author and Women’s Justice league representative, increased opportunities 85% within 3 months of working with me.

The Impact that Terrilynn Makes

Terrilynn Phillips is collaborating with business owners who want to grow beyond being a solo entrepreneur. A highly sought-after assistant for more than four decades, her unique experiences guide entrepreneurs to create successful strategies that take them from an idea to a dream come true.
